For Your Budgeting

A note about costs

The Millennium Biltmore Hotel Los Angeles is a union property. The decorator, CDS, has assured APT that the union rules are not exceptionally strict. However, upon receiving the exhibitor manual, carefully review all potential costs for shipping and drayage, booth construction (when tools are used, not for pop-ups), rentals and other costs you might incur for the needs of your booth.

Other Marketing Opportunities

In addition to exhibiting, consider the following...

- ★ **Conference or Event Sponsorship** **\$ various**
Review the Sponsor Opportunity Form for options. Note that a discounted booth is part of the top sponsorship levels.
- ★ **Stuffer** **\$550**
You send us 450 items and we'll put them in each registrant bag. It can be as simple as a brochure or as creative as a customized candy bar. APT encourages you to think green when making your choice of stuffer. *Complimentary for some conference sponsors.*

Enhance your investment by participating in other conference events

You can purchase tickets to the following events on the APT Conference registration form.

- ★ Workshops and Symposium
