Sponsors who commit to being a sponsor for three consecutive APT Conferences will pay the current year's rates for all three years. **Gold Star Sponsors** will receive special acknowledgement in all publications relevant to their level of sponsorship. This is a way to show your long term dedication to APT. Conference sponsorship rates could increase annually. In addition to sponsoring the APT LA 2009 Conference, this year's **Gold Star Sponsors** will lock in 2009 rates (see below) for the 2010 Denver Conference and the 2011 Conference.
