QUINN EVANS ARCHITECTS DETROIT, MI PROJECT ARCHITECT

Join Quinn Evans Architect's Detroit Office to help design creative renovations, technical restorations and modern additions to community projects including libraries, museums, and civic buildings. QEA is looking for a team player with leadership and design skills, who is passionate about rebuilding cities. Our Detroit Studio focuses on the adaptive use of historic buildings, additions to those buildings and new buildings. The projects range in size from small to large, offering many opportunities for professional growth. Responsibilities include working in all phases of design, documentation, and construction; managing staff; and training intern staff.

REQUIREMENTS: Architectural license, 10 years' experience that includes taking projects from conception through construction, and experience using Revit, AutoCAD, Word, Excel, and PowerPoint. Experience with Newforma and Deltek Vision a plus..
