

Architect / Project Manager

About the Firm:

If you are looking to join one of Mississippi's most successful firms, Belinda Stewart Architects (BSA) is a woman-owned and led firm that is experiencing significant growth. We are currently seeking talented professionals to join our work family in our small-town office (Eupora, MS).

Our staff enjoys hands-on experiences, opportunities for creative exploration, and meaningful community building. We specialize in historic preservation, adaptive reuse, and new contextual design. Last August, we celebrated our 30th anniversary, and we are excited to continue working in Mississippi and throughout the Southeast. Over the last 30 years, we've put together a portfolio that showcases our desire to invest in communities and tell their stories – whether it be through preservation or new design.

About the position:

We are seeking to hire a **full-time licensed architect with five (5) or more years of architectural and project management experience** to help continue the successful growth of our firm.

Candidates should be highly motivated, strong leaders, technically proficient, and organized with a passion for historic preservation and adaptive reuse.

Qualifications:

- Fluency in AutoDesk software (AutoCAD & Revit)
- Competency in Microsoft Office and Adobe Creative Cloud
- Bachelor's Degree in Architecture or Architectural Studies required; advanced degree or emphasis in historic preservation a plus
- Ability to multitask and bring projects in on schedule, effectively communicate with clients to achieve goals, & collaborate in-house with team members
- Experience with public clients (state and federal) preferred

We offer an excellent benefits package that includes paid time off, health/life/disability insurance, a Simple IRA retirement plan, AIA membership, and continuing education opportunities.

BSA is an Equal Opportunity Employer.
