

Open Position Available

HISTORIC PRESERVATION ENGINEER BOULDER OR DENVER, COLORADO

JVA is seeking a full-time historic preservation engineer to join our employee-centric team. Successful candidates will have experience writing technical assessments and experience in wood and masonry design. Our historic preservation studio provides forensic, stabilization, renovation, and preservation services on a large variety of historic structures ranging from dilapidated barns and mining cabins to high profile buildings with Historic Register listings in Colorado and across the country.

Benefits

- Flexible schedule
- Central downtown location
- Professional development opportunities
- Fully-paid major medical, dental, short- and long-term disability, and life insurance
- Health Reimbursement Allowance (HRA) plan
- 401k savings plan with partial corporate match
- Stock bonus plan

Corporate Culture

- Legacy firm
- Team-building social events
- Community outreach opportunities
- Open door and open book management
- Young Professionals, Women’s Impact Network, and LGBTQ+ Employee Resource Groups

Minimum Qualifications

- Bachelor’s degree in Civil or Architectural Engineering
- 5-10 years of experience
- Registration as a Professional or Structural Engineer
- Strong writing and verbal communication skills
- Experience assessing historic structures and existing buildings and designing repairs and alterations
- Experience in steel, concrete, masonry, wood, and seismic design

Annual Compensation \$70,000 - \$90,000 dependent on individual experience and qualifications

Founded in 1956, JVA, Inc. is a Structural, Civil, and Environmental engineering firm with offices in the downtown communities of Boulder, Fort Collins, Winter Park, Glenwood Springs, and Denver, Colorado. We specialize in civil, infrastructure, environmental, water/wastewater engineering, structural and historic preservation for public and private entities across the state. We are employee owned, offer a competitive benefits package, advocate professional growth, and have long-standing relationships with contractors, architects, builders’ groups, professional organizations, and community outreach programs. We have a strong internal corporate culture with sponsored events and social activities throughout the year.
