Project Manager – Senior Architect / Designer
Preservation Design Partnership – Philadelphia, PA

Employment Type
Full-time

Preservation Design Partnership, a nationally recognized award winning preservation architecture, planning and design firm, has openings for design professionals in preservation architecture and planning with varying levels of experience.

Since its inception in 1995, the firm has selected its projects and clients carefully, providing excellence in preservation planning, design and architecture. PDP is recognized nationally for expertise in the preparation of design guidelines for historic districts, sustainable design for historic and cultural resources, and flood mitigation in the context of climate change.

PDP’s body of work also includes award winning projects involving major iconic historic landmarks. The hallmarks of the firm are the direct involvement of its partners in all projects, commitment to design and preservation excellence, attention to detail, and collaboration with the country's foremost experts in specialized areas of architecture, planning and design. Throughout its history, PDP has created sensible, sensitive and sustainable solutions with a long-term value, through the careful restoration and reuse of architectural, cultural and historic resources. Currently, the firm has active projects in 9 states.
