

## Architectural and Sculpture Conservator

Kreilick Conservation, LLC is seeking a qualified candidate with 1-2 years of experience to fill one full time position as an Architectural and Sculpture Conservator. Responsibilities may include conducting condition assessments, photo-documentation, research, field investigation and testing, treatment design and implementation, report writing, assisting with proposals, submittals and marketing efforts.

Qualifications for this position include a Master of Science degree in Historic Preservation from an accredited graduate program, preferably with a focus in conservation of metals and/or masonry. Strong analytical skills, flexibility and resourcefulness are necessary, as is proficiency in standard software including Microsoft Office Suite. Strong graphic skills also preferred, including proficiency in design software such as Adobe Photoshop, Sketchup and AutoCAD, or equivalent. Ability to work at heights (i.e. scaffolding and high-reach) is required. The Conservator is expected to work independently and as a team member; and must display both excellent hand skills and strong communication skills. Travel is required; a current Driver's License is mandatory. Air travel is possible. Security clearances may be required for government contracts and school properties.

Kreilick Conservation, LLC, is a private firm specializing in the conservation of architecture, sculpture, monuments, industrial artifacts, and objects. We are based in the Philadelphia-area; our projects are primarily in the northeast and mid-Atlantic states. Current projects include the Athenaeum of Philadelphia, Lucy the Elephant, Trenton City Hall, Delaware Historical Society, Edsel and Eleanor Ford House, Philadelphia Convention Center, University of Pennsylvania College Hall, WWII Memorial, and the Morgan Library, among others. Past projects can be viewed on our website at [www.kreilickconservation.com](http://www.kreilickconservation.com).

Kreilick Conservation, LLC offers a salary/benefits package commensurate with experience and skill level. Salary range for this position is \$41,600-\$52,000. Kreilick Conservation, LLC is an Equal Opportunity Employer.

Interested candidates should submit a cover letter, resume, writing sample, and contact information for three professional references to:
